Vacation Bible School Pictures

WOW!!!! WHAT A GREAT VACATION BIBLE SCHOOL THIS YEAR!!!!

The weather was nice and cool and the storms waited until the afternoons to move in. We had several returning kids and several new kids this year. This year *SHINE!* the 2014 VBS from Go Fish, the kids HEARD the gospel, ACTIVELY USED their Bibles, and LEARNED what it means to give God glory! *SHINE!* taught the kids about the 5 crowns God has for them in heaven when they shine for Jesus here on earth. Games made a connection between an Olympic athlete and a faithful Christian. Each day they made their own snacks which coordinated with each days lesson.

A special thank you goes to **Anderson Pest Pro's** for spraying inside and outside the church to help control the insects during and after VBS. They gave us a deeply discounted rate due to our being a church.

When using the church or borrowing church items, please make sure items are cleaned and brought back the way you would want to use them.

Four of our youth were able to attend summer camp at Outlaw Ranch in June. Hannah Baschnagel, Zach Baschnagel, Elyse Jensen, and Sadie Tesch. What a great opportunity!

I would like to thank Our Savior's for the scholarship you gave me to help so I could go to camp at Outlaw Ranch this year. I love everything about the camp and I have learned so much and have made new friends.

Sadie Tesch

What a wonderful group of volunteers we had for VBS this year. Thank you to those who offered their time to help teach, assist, round up curious wanderers, help little ones make their snacks, make their crafts, teach them to dance, play games, make posters and sets, and all of the behind the scenes items that start right after last year's VBS ended. Also, thanks to the helpers who worked on our community service projects. We need you to step up and do your part to see that these activities continue for our children, for they are our future in this world.

In the church office on the counter is a black stacker. Each stacker is marked with the forms for use. We do have forms for those wanting to use the church or for use of church items to be borrowed. Please check well in advance with Peg or Pastor Becky to see if there is a conflict of dates for use. These forms must be returned prior to use for Pastor Becky's approval. Place the completed form on the desk in the stacker marked 'Peg's In Box'. **Everyone is required to use the forms.**

Mission of the Month for July & August

The Core Values of Our Savior's Lutheran Church state, "We are a community that values faith, family, children, caring, and helping."

In keeping with our core values, the Mission of the Month for July and August will be two agencies that care for and help children and families in our community:

The goal at Youth & Family Services is to ensure that all children grow up with hope for their future. As the world changes, many children in our community face a myriad of challenges. By offering kids the stability, support and services they need, we allow them the ability to focus more on the importance of their dreams and provide hope for a brighter tomorrow.

Our Mission: Supporting children and their families in being capable, caring and contributing members of the community.

Learn more about Youth and Family Services at their website: youthandfamilyservices.org

The goal of Children's Miracle Network is to save kid's lives. Donations to CMN go to support research and training, purchase equipment, and pay for uncompensated care, all to save and improve the lives of as many children as possible

Our Mission: We increase funds and awareness for local children's hospitals.

Rapid City Regional Hospital is a Children's Miracle Network Hospital working to save the lives of kids in our community. Every day children enter the hospital battling cancer, suffering from a traumatic injury, requiring constant care because they were born too early, or with a genetic disease. Regardless of why the kids are there, Children's Miracle Network Hospitals always have their doors open.
