🔑 Caring Conversations

*Discuss the Bible story

+How much money did the servants with five talents have at the end? What about the one with three? What about the one with one?

+Why did the servant with one talent hide it?

+Who do you think the master really is in this lesson?

+What kind of talents has God given to you?

+How do you use those talents?

+Why might you hide those talents?

🔑 Ritual & Tradition (& Family Fun)

+Put on a "talent" show at home. See how funny you can make it. Record it and share it with your friends and family (and Pastor Deb)

+What is something you love to do or would love to do that you want to get better at? How can you improve in this talent?

+What talents do others in your family have? How about other family members or friends that don't live with you? Write them a note letting them know you are thankful for their talents and the way they use them.

🔑 Service

A talent was a piece of money in Biblical times, like a quarter or a dime or a penny. A talent today can also be a special ability.

Answer the following questions with pictures or words

+What do you love to do?

+How can you use this talent to serve God and/or others?

+How can you offer your church what you love to do to help in worship or inside the church building?

+How can you offer your church what you love to do at other times outside the church buildings?

Don't forget to let Pastor Deb know what you might like to share!
