A PRAYER ON FATHER'S DAY

Let us pray for all the fathers among us today:

For our own fathers, those living and those who have passed away; for the fathers who loved us and for those who fell short of loving us fully;

For all who hope to be fathers some day and for those whose hope to have children has been frustrated; for all fathers who have lost children.

For all women and men who have fathered others in any way – those who have been our substitute fathers and we who have done so for those in need.

We pray this all in the name of God, our great and Loving Mother. Amen.

Adapted from Women's Common Prayers (Morehouse, 2000)

We give thanks for all the fathers in our lives!

BECOME A HOME COMMUNION MINISTER!

Do your gifts include visiting with others and listening to stories? Can you carve out the time to go and visit someone in their homes once a month? Are you looking for a way to serve and be the hands and feet of God outside the walls of the church building? Then this new to OSL ministry opportunity might just be for you.

Join Pastor Deb and others as we explore how to take communion out of the building and into the homes of our family of faith who are unable to be present with us in worship. Being a home communion minister is not hard. You simply set up a time to visit. Show up and enjoy a time of conversation and share in communion together. There is an opportunity to live out your baptismal calling which will bring you as much joy as it does the person you are visiting. A list of those who are homebound will be provided and you will get to choose who you would like to visit. You are welcome to show up on Sunday and learn more before making a commitment to this ministry. If you have questions or are interested but unable to attend, please visit with Pastor Deb. A commissioning of those serving will happen during worship on June 19.

Thank you to the wonderful Outreach Committee, for all your planning and executing of a very successful Mother's Day Buffet! We served around 220 people, and it was an excellent event, not only for our Bible Campers, but also our

community! Outreach Committee: Bill and Tammy Dennert, Marvin and Carol Neugebauer, Dar and Gwen Schroeder, Doris Hillman, Collette Carlson and Alan Johnson

Thank you also to all those that brought salads, desserts, rolls etc. We had such a beautiful variety, and it was all delicious! Your time and generosity are very much appreciated! Thank you to all those that attended the Mother's Day Buffet and contributed through freewill donation to our Bible Campers. We have such an amazing congregation and community!

Thank you for all those who supported the high school graduates and confirmands with gifts and prayers in May.

Thank you to Pastor Deb and the OSL Congregation for the gift cards to REVIVE for Administrative Assistant Day. I really appreciate it! -Josie

June 29 - Illini 4000 Bike group staying at OSL.

OSL will again be hosting this amazing group of bicyclists as they travel 4000 miles across the United States gathering stories from people affected by cancer as well as money for organiza-

tions helping those with cancer. Pastor Deb is looking for people willing to help with hosting by providing a place to shower for cyclists; providing snacks, supper and breakfast; welcoming cyclists and answering questions; and showing them where the laundry mat is in town. Please contact Pastor Deb if you are willing to serve in this way.

A menu for supper and breakfast will be provided.

Just the facts, Ma'am.

Here are the facts:

1. Regular offerings for January - April, 2022 were \$34,707.42 compared to \$35,604.40 for the same time in 2021. We did have some special service offerings and other income to bring our total income to \$35,086.26 at the end of April. Our expenses have increased from \$37,439.48 for Jan - April, 2021 to \$45,580.84 for Jan - April, 2022. As of the end of April we had a net ordinary income loss of \$10,494.58. We have a balance \$21,530.83 in our checking/savings account.

\$8,897.84 of this amount are in restricted funds.

2. Thank you to those who heard the call and were able to give more in offering in April.
3. Thank you to those who continue to give of their time, talents and resources to the best of their ability.
4. The ministry of our congregation continues. We are looking forward to hosting Vacation Bible School this month and helping a number of youth attend Bible camp this summer. We will also be hosting the Illoni 4000 one night as they bike across the United States. The Youth Group will be growing in faith as they travel together to Salt Lake Center to learn and grow on their summer trip. A new picture directory is underway so we can better connect with our worshipping community. We gather together for worship and Bible study. We help those with immediate needs by filling tanks of gas and other ways through our hospitality funds. In April, we collected \$658.00 to aide the Lutheran Social Services Foster Care program in their ministry.
5. Pastor Deb recently learned we have an outstanding challenge match for the broadcasting/sound system which we are enjoying. Although our bill has been paid, you can still give to this fund to reimburse money we used from savings. Your donations will be matched up to \$1000.
6. Everyone who calls the community of faith at OSL their home will need to work together in order for all of the ministry to which we are called is able to be fully funded and completed. Please prayerfully take a look at your financial giving to OSL. If you are unable to attend church in person, please consider using Tith-ly or mailing your offering to the church. If you have questions, please visit with Mike, Pastor Deb or another Council member.

Ways to help VBS become a reality

Be a leader! Don't worry, training and a manual are provided, along with any needed supplies.

Volunteers are needed to help during the week in the following areas:

- *Fun & Games Leader & Assistant Leader to lead Tribes (small groups) in high-fun, low-tech games
- *Drama Team – Moses and Malachi (the Wilderness Whiner) who bring the Bible story to life as well as a small cast for the daily dramas
- *Assorted Tent Hosts who interact with Tribes and teach interesting historical facts while helping the children complete a project designed especially for your tent. A tent host might have snacks, a craft or another simple project to complete with the children while visiting about daily life for the Israelites
- *Tribe Leaders & Assistant Tribe Leaders – Lead a Tribe (small group) of children through the VBS activities. Help them engage in fun activities and help them make the connection between what they learn at VBS and their every day life.

Help with decorating before VBS starts as we turn Our Savior's Lutheran Church into a Wilderness Escape.

Help with the family picnic and/or clean-up at the end of the week.

Make a financial donation to help cover the expenses of VBS. Approximately \$20 will sponsor a child for the week.

Most importantly, pray for this ministry.

For more information or if you would like to volunteer, please contact Josie Main, OSL Administrative Assistant, at 605-255-4662 or Pastor Deb Grismer at 605-890-0781.

June Mission of the Month

This month we are partnering with VBS participants and ELCA World Hunger to raise \$1000 for the Global Farm Challenge. Ending hunger isn't just about food. It's about access, justice, and caring for creation and each other. It's about hope for the kind of world we want to live in. Ending hunger means

recognizing the ways God is at work in farming communities and the ways God is calling all of us, together, to be a part of the solution.

Through giving to the Global Farm Challenge we will join congregations across the United States to help equip

communities around the world and in the United States with livestock, seeds, tools and training to turn a hungry season into a hopeful season. Together we can make a difference - creating healthier families, stronger economies and a future filled with hope. Read more at www.ELCA.org/globalfarmchallenge.

Financial donations can be mailed or dropped off at the church, placed in the Globe Offering during worship or given electronically. There is a Mission of the Month option in the dropdown section on Tith-ly. Thank you in advance for your generosity. You can also grab a 'barn' box at church to fill with change during the month and bring back at the
